

I oppose any changes to the current FCC indecency standards that would allow tv and radio stations to broadcast expletives and nudity on the public airwaves. The Supreme Ct. has confirmed the FCC has the authority to enforce policies regarding expletives and nudity especially during times when children are likely to be watching or listening. I strongly urge the FCC to reject any and all proposals that would relax the current code regarding the broadcasting of expletives and/or nudity on FCC licensed stations. Thank you, J.M. Steinberg
