Ellipsis (plural ellipses ; from the Ancient Greek: ἄλλοιψις, ἄλλοιψις, "omission" or "falling short") is a series of dots that usually indicate an ...

The ellipsis *** three dots has something to do with the mark of the beast in chapter 13-Revelation. many Journalists and newspaper articles have many *** mark of the beast articles, hence, why many americans are walking around confused. The QR code on smart apps has three squares for the most part, a 666...the ellipsis is a 666.

The way we will defeat the mark of the beast, 666, is to add another 6, 6666 will defeat 666,

hence the **** will defeat the umlaut. The umlaut is 666, -however, the seal of God is 6666 ****.

It will probably we an app download to your smartphone, the mark of the beast. The beast will have you download a beast app. The 8 King, the beast, in revelation is already in the world today. A pope is not a King, a prime minister is not a king, and a president is not a King. We will probably make an image to Albert, husband of Victoria.

And, if you want to an effective King, call yourself a prince, and put all the attention on a queen. Another Reason Glenn won't and can't have a mate, wife or girlfriend in this lifetime, not until Christ gives me permission. Who are the strange people calling the wife of the secret service-Fbi, Cia agent? Thhe wife of that ss agent is downloading a strange app from someone, somewhere. Who are these strange men talking to the wife of that Secret Service-FBI-Cia agent, and wht do these e-mail and phone calls of the wives of these secret service agents , FBI agents, and CIA agents reveal?

The obvious scapegoat. Every time the FBIA agents wife's smart phone rings, or the SECRET Service-CIA agents wife receives an e-mail, it's the alps calling, the SWISS witch mountain, cern male agents contacting the secret service agents wife and having them download some strange app.

The Secret Service, FBI, Homeland, CIA, are going to start seeing some weird stuff in the world when they are not allowed to contact their own wives, via phone or e-mail, but these strange, bizarre, possible perverted CERN swiss agents can call the SS wives, or FBI agents wives as much as possible. That is the time you and I know it's time to get right with God and Christ, when the Wives of FBI, SS, and CIA feel more comfortable with talking and confiding with the dogs of the alps than their own husbands.

Christ is everything, Glenn is nothing. That is a good rock foundation for Glenn to build on. The house sparrows seems optimistic in life, so I guess Glenn does also. The only job Glenn is qualified for, he realizes, is feeding the birds. Doesn't pay much, but it seems to be a ticket to heaven and is sweeter

than many high paid lawyer doctor careers!! It is all about Christ...Glenn is nothing. The rock of Christ
