Facilitating the Deployment of Text-to-911 and Other Next Generation 911 Applications, PS Docket No. 11-153; Framework for Next Generation 911 Deployment, PS Docket No. 10-255

Dear Ms. Dortch:

On June 4, 2013, Thomas Ginter, Tim Lorello, and Kim Scovill, in person, and Robert Ehrlich, Don Mitchell, Roderic Robinson, Seth Sonenthal, and Roger Marshall, via telephone, of Telecommunication Systems ("TCS") met with Timothy May, Henning Schulzrinne, Dana Zelman, Nicole McGinnis, David Siehl, Jennifer Zheng, Michelle Hersh, and Aaron Garza of the Commission to discuss matters relating to the above-referenced proceedings.

This is a continuation of a similar ex parte visit held on April 30, 2013. The parties discussed TCS's experiences, to date, with the operations of actual text-to-911 deployments across the nation, and the developing issues with this new public safety service. The attached slides were provided and contain the substance of the discussion.

Please feel free to contact the undersigned if you have any questions.

Sincerely,

TELECOMMUNICATION SYSTEMS, INC.
Kim Robert Scovill
