Re: In the Matter of the Joint Application of Primus Telecommunications Group, Incorporated, Primus Telecommunications, Inc. and PTUS, Inc. for Grant of Authority to Complete a Transfer of Control of an Authorized Domestic and International Section 214 Carrier

WC Docket No. 13-145 - SUPPLEMENT

Dear Ms. Dortch:

Pursuant to Staff's request, Applicants hereby supplement the Application filed in the above-referenced proceeding.

The Application states that Primus Telecommunications, Inc. ("PTI") provides intrastate local and/or long distance service in 49 states, the District of Columbia, and the Commonwealth of Puerto Rico and that PTI does not provide intrastate telecommunications services in Alaska. For the Commission's reference, PTI provides resold local service only in the Commonwealth of Puerto Rico. PTI provides resold intrastate long distance service in the Commonwealth of Puerto Rico and every state except Alaska. (Although it holds a certificate of public convenience and necessary, PTI currently only provides interstate service in the District of Columbia.)

Should you have any questions concerning this information, please do not hesitate to contact us.

Respectfully submitted,

/s/ Danielle Burt
