Re: *Applications of GCI Communication Corp., ACS Wireless License Sub, Inc., ACS of Anchorage License Sub, Inc., and Unicom, Inc. For Consent to Assign Licenses to The Alaska Wireless Network, LLC, WT Docket No. 12-187*

Dear Ms. Dortch:

On Tuesday, June 11, 2013, Ron Duncan, President and CEO of General Communication, Inc. ("GCI"), spoke with Acting Chair Mignon Clyburn, with David Grimaldi and Rebekah Goodheart of the Chairwoman's staff and Tina Pidgeon of GCI also present. Mr. Duncan emphasized that GCI was seeking quick approval of the GCI-ACS transaction, which has been pending for nearly a year, so the parties could move ahead this summer with the necessary tools to best serve Alaska. Further delays will jeopardize the companies' ability to use the limited summer construction season to upgrade their networks.

Please contact me if you have any questions.

Sincerely,

John T. Nakahata
Counsel to General Communication, Inc.
