Re: Notification of Substantive Change, Structure and Practices of the Video Relay Service Program, CG Docket No. 10-51; Telecommunications Relay Service and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123.

Dear Ms. Dortch:

Pursuant to 47 C.F.R. § 64.606(f)(2), Sorenson Communications, Inc., (“Sorenson”) hereby notifies the Commission about a substantive change in its TRS service. On May 10, 2013 Sorenson launched a new featured called “myPhone.” This new feature allows VRS users to have one phone number ring all of their devices (videophone, mobile, PC, and MAC). Sorenson continues to meet federal minimum standards after implementing the myPhone feature.

Sincerely,

A handwritten signature in blue ink that reads "Mark D. Davis".

Mark D. Davis

Counsel for Sorenson Communications, Inc.
