

I oppose any changes to the current FCC indecency standards that would allow television and radio stations to broadcast expletives and nudity on the public airwaves, even if brief. There is already too much crap on TV now! My children (and my husband and I) do not want to turn on the TV and see nudity! I also teach 1st graders (31 years) and do not want my students having to watch nudity just because they want to watch regular TV!
