**Re: Facilitating the Deployment of Text-to-911 and Other Next Generation 911 Applications, PS Docket No. 11-153; Framework for Next Generation 911 Deployment, PS Docket No. 10-255**

Dear Ms. Dortch:

On June 14, 2013, at staff's request, Robert Morse, Susan Sherwood, Kevin Green and the undersigned of Verizon held a teleconference with Timothy May, Erika Olsen, Nicole McGinnis, David Siehl, Dana Zelman, Aaron Garza, Jennifer Zheng (intern) and Michelle Hersh (intern) of the Public Safety and Homeland Security Bureau. We specifically discussed Verizon's plans for the first quarterly voluntary text-to-911 status report due July 1, 2013 under the December 2012 voluntary agreement the parties submitted in the above-referenced proceeding.

Please let me know if you have any questions.

Sincerely,

*Nneka Chiazor*
