

I am against any changes to the current FCC indecency standards. The FCC must continue to vigorously and faithfully oppose ALL indecent content, even if brief or "fleeting."

The Supreme Court has affirmed the FCC's authority to enforce policies prohibiting indecent broadcast content during hours when children are likely to be in the viewing or listening audience. Relaxing the current policy would not serve and would actually undermine the public interest. I urge the FCC to reject all proposals that would allow for the broadcast of expletives, gore and nudity on FCC-licensed stations.
