

Our children don't need to know about any of this. Let them be young, let them have their innocence longer. Why do kids have to grow up sooner than they need to! They are our future leaders, let's give them something besides addiction to something that will ruin their lives & others around them! There is no need for nudity and swearing in daytime tv! Let the children have their innocence! Give them the chance to grow up without seeing all that crap on tv! Give our children the future they deserve to have for the future of their children and on down! Keep stuff like that out of tv! Out where our kids watch it!
Thank you!
