

About clear channel. clear channel humiliated me when reading my emails over the air while playing phyco music in the back ground. the people responsible at clear channel in tampa fl. the djs involved was lauren oneal, ethan Yorker,a guy who played bucket head in the morning show and others involved. this incident was reported now my safety is at risk only god knows how much these people at clear channel smeared my name all over the airwaves like airing my dirty laundry. I am nobody and clear channel employees have destroyed any chance of finding a job because of clearchannel. this radio station has been harassing me over stupid emails and stupid chatter 98 rock is responsible for losing my job that I just got out from school and thought I had a career until this dj at clearchannel got me fired. and now I cannot find any half way decent job locally, I had to go on disability because getting a job anywhere will include harassment brought on by clear channel employees in tampa. any company I go to , to get a job is impossible because of clearchannel deciding to screw with me more than a few times over the air and really hurt my chances of obtaining a real job and if I did get a job the job would pay pion crap not enough to pay bills. my self esteem has greatly suffered from the insults over the air to me . One of the main incidents was called ass slap recap when brent from the band shinedown in 2008, Why am I now complaining now after 5 years because 5 years ago I tried to get a lawyer every complaint was ignored because most of the lawyers are in bed with clear channel. clear channel is just a bunch of asses, Tampa fl clear channel off of gandy
