Request to accept late filed comments in the matter of  
Assessment and Collection of Regulatory Fees for Fiscal Year 2013  
Procedures for Assessment and Collection of Regulatory Fees  
Assessment and Collection of Regulatory Fees for Fiscal Year 2008  
MD Docket No. 13-140  
MD Docket No. 12-201  
MD Docket No. 08-65

Fireweed submitted comments in this proceeding June 19 2013. However, it was noticed on June 21 that the file uploaded was not the finished document. There is not substantive difference between the document uploaded previously and this document. The main differences between the versions are cleaning up of typos and inclusion of a paragraph on the disparity between fees for UHF and VHF television broadcasting.

Fireweed, as we pointed out in our comments, is a small business. The filing was prepared by one of its two members, not by counsel. We request that under the circumstances, and in the interest of a full and accurate record in this proceeding, the Commission accept Fireweed's corrected comments as timely filed.

Respectfully
