

To whom it may concern,

We are respectfully requesting a waiver to submit a late Form 471. A vendor was missed during the normal submission process and we would like to be able to submit at this later date for the possibility of refunding. The new Form 471 (Applicant Form Identifier - CVSD471-TDS) is being mailed today, 6/26/2013.

Best regards,

Dr. Cathy Higgins
