Re: Ex Parte Presentation in CG Docket No. 02-278

Dear Ms. Dortch:

On Monday, June 24, 2013, Arthur Conway, Noreen Kaminski and Thomas Conway of DialAmerica Marketing Inc. (“DialAmerica”) met with Kristi Lemoine, Kurt Schroeder, Lynn Follansbee, Kris Montieth and Wesley Platt of the Consumer and Governmental Affairs Bureau to discuss the Federal Communications Commission’s June 2012 Final Rule to adopt significant amendments to its Telephone Consumer Protection Act (TCPA).

The discussion was primarily centered around “cell phone” calling – specifically “preview dialing”. DialAmerica submitted a proprietary document outlining our preview dialing system that was developed internally by the DialAmerica engineering staff.

In addition, we discussed other internal compliance measures that we have in place to ensure overall compliance with state and federal laws.

At the close of the meeting, we discussed the process for obtaining an “opinion letter” from the FCC and the length of time it would take to get a response from the agency.

Respectfully submitted,

Noreen Kaminski
