

Hello,

I do not know who to contact. I keep hearing a Racial Slurr, "Cracker", being broadcast and re-broadcast on news channels such as NBC, CBS, CNN, FOX, ABC, NPR, PBS and other FCC Regulated airwaves.

The Slurr was part of the Trayvon Martin Trial in Sanford Florida.

Please contact me with a response and forward action on how I can censor the Racial Slurrs from having my 4 minor children from hearing it.

Thank You

Rich
