Legends

- To be restored tomorrow
- To be restored in mid April
- To be restored in late April
- To be restored in May or later

Total number of access:

200,000 in first 10 days

Voices from Customers:

- It is essential for us to grasp the cellular coverage recovery, which changes quickly day by day.
- Convenient
- It is significant that DOCOMO lead the industry by disclosing information of restoration on its own.
