Re: *Special Access for Price Cap Local Exchange Carriers, WC Docket No. 05-25*

Dear Ms. Dortch:

On July 8, 2013, Charles McKee of Sprint Nextel Corporation, Joe Cavender of Level 3, and I spoke with Julie Veach, Kalpak Gude, Deena Shetler, William Layton, and Betsy McIntyre of the Wireline Competition Bureau, regarding the above-captioned proceeding. Specifically, we discussed the importance of addressing the broken special access market, how delay in addressing unreasonable special access prices and practices undermines competition and broadband deployment, the timing of the Bureau's pending data request, and the time periods to be covered by the pending data request.

Pursuant to the Commission's rules, this letter is being submitted for inclusion in the public record of the above-referenced proceeding.

Sincerely,

Paul Margie
Counsel to Sprint Nextel Corporation
