RE: Waiver Request

Dear Ms. Dortch,

The International Charter School is requesting a waiver for filing the Form 471 out the deadline window for Funding Year 2013. We are a charter school located in Pawtucket Rhode Island and rely on such assistance for our technology services.

The International Charter School, BEN #16021257, respectfully requests a waiver for inadvertently missing the window.

If you should have any questions, please do not hesitate to contact me directly at 401-721-0824, ext. 126 or emachado@internationalcharterschool.org

Thank you in advance for your consideration in the above matter.

Sincerely,

Elizabeth Machado  
Director of Finance
