Dear Sirs.

This is a letter for a request of a Review regarding the above captioned USAC Notification regarding the following FRN:

FRN#: **1566790** – “The information provided on appeal indicates that the following entity is ineligible to receive products and/or services: Cheder at the Ohel located at 440 Albany Avenue, Brooklyn, NY. It was determined that Cheder at the Ohel does not meet the statutory definition of an elementary school as defined in 20 USC 7801 (18), or a secondary school, as defined in 20 USC(38) because Cheder at the Ohel is a residential facility.....

The school submits that it has provided adequate documentation to prove conclusively that:

- a) 440 Albany Ave, Brooklyn NY a multi dwelling residential and commercial property according the New York City Department of buildings was:
 - 1) Not the personal residence of Levi Zachi
 - 2) Was a commercial location where Chedder at the Ohel had a bonifide Commercial Lease to house a recognized New York Education primary school and the New York State Department of Health feeding programs. As such the Internal Equipment was installed in and serviced a bonifide eligible facility.
