CONSENT MOTION FOR EXTENSION OF TIME

RCN Telecom Services, LLC (“RCN” or the “Company”) hereby submits this Motion seeking an extension of time to Friday, August 16, 2013 to submit an Opposition to the must carry complaint (the “Complaint”) filed by Lenfest Broadcasting, LLC (“Lenfest”), licensee of WMCN-TV, Atlantic City, New Jersey (“WMCN” or the “Station”) in the above-captioned proceeding.

Good cause exists for granting this request, as it will enable RCN to submit a full and accurate filing, so that the Commission can proceed with an appropriate record before it. The public will not be prejudiced by this delay, and Station has, in fact, consented to the requested extension.

Moreover, the parties have had discussions regarding carriage by the Company of the Station's signal in the communities at issue and are optimistic that the dispute ultimately can be resolved without further burdening the Commission.

Accordingly, it is respectfully requested that the Commission grant this Motion and allow RCN until August 16, 2013 to file an Opposition to Lenfest's Complaint.

Respectfully submitted,

By:
