Re: Notice of Ex Parte Communication, GN Docket No. 12-268

Dear Ms. Dortch:

On August 7, 2013, Victor Tawil and Bruce Franca of the National Association of Broadcasters (NAB) met with Rebecca Hanson, Shabnam Javid, Alison Neplokh, and John Gabrysch of the Media Bureau; Matthew Hussey, Robert Weller, Ira Keltz, Uri Livnat, Martin Doczkat, Serey Thia, Barbara Pavon of the Office of Engineering and Technology; and, Paul Murray, Madelaine Maior, Sasha Javid, and Ziad Sleem of the Wireless Telecommunications Bureau.

The meeting was held at the request of FCC staff to discuss co-channel and adjacent channel interference issues previously discussed with FCC staff during a July 10 meeting. A presentation made by NAB at that meeting was included in its July 10 Ex Parte letter in GN Docket No. 12-268. Mr. Tawil briefly went through the first 17 pages of that presentation and both Mr. Tawil and Mr. Franca responded to questions from the FCC staff.

Respectfully submitted,

/Victor Tawil/

Victor Tawil
