Re: WT Docket 13-54
Applications of AT&T and Atlantic TeleNetwork, Inc.
to Assign Licenses and Authorizations

Dear Ms. Dortch:

Buffalo-Lake Erie Wireless Systems Co., LLC ("Blue Wireless") is submitting the attached ex parte response to the "Confidential" and "Highly Confidential" materials submitted by ATN over the last two months. Because the Blue Wireless response refers to data submitted pursuant to the Protective Orders issued in this proceeding, confidential treatment of that portion of the response is required. Accordingly, both redacted and unredacted versions of the response are being submitted.

Two copies of this letter and the unredacted version of the response with appropriate confidentiality notations are being filed with the Office of the Secretary. This letter and the redacted version of the comment are being filed in the captioned Docket via the ECFS system. Two copies of the unredacted version are also being delivered to Scott Patrick of the Wireless Telecommunications Bureau.
