Re: *Toll Free Service Access Codes*, CC Docket No. 95-155

Dear Ms. Dortch:

On August 26, 2013, I met with Ann Stevens, Michelle Sclater and Heather Hendrickson of the Wireline Competition Bureau to discuss SMS/800, Inc.'s Ex Parte regarding the allocation method of toll-free numbers related to the 844 NPA code opening (the "Ex Parte"), filed in the above-captioned docket on August 28, 2013.

During the meeting we discussed the position of SMS/800, Inc. as set out in the Ex Parte, including but not limited to consideration of the process by which Responsible Organization affiliations are determined and the timing and costs of applicable system changes.

If you have any questions concerning this matter, please contact me at 508-315-8046.

Sincerely,

Gina Perini
