RE: Request for Extension of Deadline for FCC Form 477

To whom it may concern:

Gardonville Cooperative Telephone Association respectfully requests a 10-day extension until September 13, 2013 to complete and file Form 477.

The employee that prepares and files our Form 477's was diagnosed with Thyroid Cancer at the end of June and her surgery was July 23, 2013. Between the time of the diagnosis, surgery and recovery it did not allow her enough time to complete Form 477 along with completing her other daily and monthly duties. This employee is the only person at this Company that has the knowledge to efficiently compile the required data to file and upload the Form 477's.

Gardonville Cooperative Telephone Association appreciates the importance of the information being requested by the FCC.

Accordingly, for the reasons described above, Gardonville Cooperative Telephone Association requests that the FCC grant a 10-day extension for the Form 477 filing, currently due September 3, 2013. If the Form 477 is successfully completed prior to the expiration of the 10-day extension, it will be submitted at that time.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "D. Wolf", is written over the text "Respectfully submitted,".
