AFFIDAVIT OF Kevin Mottus

State of CA]

LA County]

I, Kevin Mottus, attest that my statements are true to the best of my knowledge.

Comment round for ET Docket No. 03-137 and ET Docket No. 013-84.

1. My name is Kevin Mottus. My address is 11041 Santa Monica Blvd. #627 Los Angeles, CA 90025.
2. I am a SOCIAL WORKER.
3. See the attached detailed report from the EPA. The EPA had it right in 1992 about the carcinogenic effect of RF on humans. These studies were never followed up. The EPA was kept from following up. The FCC and our government has known about the carcinogenic effects of RF radiation for 20 years and our government grew a massive industry around what is an inherently carcinogenic and dangerous agent. This is criminal and you need to be held accountable for the lives you have ruined and ended.
