To whom it may concern;

Appellant Name: Richard Senturia, consultant for applicant.
Applicant: St. Joseph Catholic School, OK
Applicant BEN #: 225624
Applicant Form 471#: 889454
FRNs: 2418398, 2418399, and 2418434

We filed for St. Joseph Catholic School, Muskogee, OK for funding year 2013. We mistakenly filed for this client as an urban school. It is located in Muskogee County, designated by USAC as rural. We received no PIA review letter for this client, either for vendor documentation or discount documentation. We did not discover our error until the school received a FCDL during the first wave May 29, 2013. We filed an appeal with USAC on July 2, 2013.

We received by mail the "Administrator's Decision on Appeal – Funding Year 2013 – 2014" dated August 21, 2013. The appeal was denied. We do not understand the grounds for denial other than this would result in an increase in funding, from 40% to 50%. The denial letter agrees that the school should be classified as rural. We request funding at 50% for this rural school.

Respectfully,

John R. Danley, for Richard Senturia, Consultant
