**Re: Waiver of Confidentiality of Licensed Materials in WC Docket No. 10-90**

Dear Ms. Dortch:

On August 27, 2013, Virgin Islands Telephone Corporation (“Vitelco”) d/b/a Innovative Telephone submitted its estimate of plant mix percentages for the U.S. Virgin Islands on a forward-looking basis (including an explanation of how these estimates were determined) for Staff’s use in developing future versions of the Connect America Cost Model. The unredacted version of Vitelco’s filing (the “Confidential Filing”) contained information designated as Confidential pursuant to the Third Supplemental Protective Order in WC Docket No. 10-90 (DA 12-1995).

By this letter, Vitelco waives its right to Confidential treatment with respect to the Confidential Filing and consents to the public disclosure of the information contained therein.

Please do not hesitate to contact the undersigned with any questions.

Respectfully submitted,
