Appeal Explanation:

Winfield Township Board of Education's former Business Administrator and E-Rate Coordinator, Thomas West, is no longer with our district. Due to unforeseen circumstances, there was a lapse in time that our school district did not have an active Business Administrator or E-Rate coordinator. The FCC Form 471 was filed but postmarked outside of the window. Here is the comment in the FCDL:

We're sending this letter to notify you that your FCC Form 471 application and/or certification was received or postmarked AFTER the deadline for an application to be considered as filed within the window. Applications submitted outside of the filing window will not be considered for funding unless funds remain after considering all in-window applications.

We would like you to reconsider USAC's decision to deny funding requests. Thank you for your time and attention to this matter.

Sincerely,

Andrew Licata
School Business Administrator and E-Rate Coordinator
