Ms. Mignon L. Clyburn
Acting Chairwoman
Federal Communications Commission
445 12th Street Southwest
Washington, DC 20554-0005

Dear Acting Chairwoman Clyburn,

Mrs. Shirley Miller, a constituent of mine from Alabama's Sixth District has contacted my office to express her concerns about recent Federal Communications Commission (FCC) proposed rule changes regarding allowable nudity and profanity on television and radio. It is my belief that consideration should be given to ensure that FCC proposed rules uphold strong decency standards in our society. Please find a copy of Mrs. Miller's correspondence enclosed.

Thank you in advance for giving these concerns every possible consideration.

Sincerely,

Spencer Bachus
Member of Congress

We, the undersigned, urge the FCC to reject the new proposed rules on allowable nudity and profanity on TV and radio. The rap artists, and their lyrics of drugs, gang banging, killing, sex, and robbing people are encouraging our children to do all of the above! Kids today are living according to the lyrics of a rap song, and the rap artists need to be prohibited from using such language in their lyrics!
