CC Docket No. 02-6

To whom it may concern:

Appellant Name: Richard Senturia, consultant for applicant.
Applicant: Diocese of St. Petersburg, FL
Applicant BEN #: 127794
Applicant Form 471#: 897410
FRNs: 2438695

We filed for the Office of Education of the Diocese of St. Petersburg, Florida, funding year 2013. One of the requests was for Rediker, SPIN 143014590, web hosting.

The service is deemed ineligible by USAC. We remain uncertain why this is the case. It is not an issue of providing documentation but the service itself. We have communicated with the service provider for clarification as well as a USAC reviewer. It is our understanding that this interpretation of eligible services is based in part upon the fact that the vendor is only providing web hosting narrowly defined, absent other services.

We do not understand this interpretation. The client is not satisfied with this interpretation and has requested that we file an appeal.

We seek a ruling on this denial and the establishing interpretation of ineligibility.

Respectfully,

John R. Danley, for Richard Senturia, Consultant
