FCC Mail Room

Dear Ms. Chairwoman,

Several of my constituents have contacted my office to express their concerns about recent Federal Communications Commission (FCC) proposed rule changes regarding allowable nudity and profanity on television and radio. It is my belief that consideration should be given to ensure that FCC proposed rules uphold strong decency standards in our society. Please find a copy of my constituents' correspondence enclosed.

Thank you in advance for giving these concerns every possible consideration.

Sincerely,

Spencer Bachus
Member of Congress
