Re: Niths Communications (Bridgequick) (1118)
Discontinuance

Dear Ms. Dortch:

Please find enclosed copies of the Certificates of Service confirming service, upon several State PUC's and Governor's in states where our client had customers, of Niths Communications' Section 63.71 Application to discontinue resale of interstate toll free number and web conferencing telecommunications services. I understand that our client's red light status has been cleared, and all requirements for our client's discontinuance of service have been met.

If you have any questions, please feel free to contact us.

Very truly yours,
Technology Law Group, LLC

Craig D. Dingwall, Esq.
