RE: WC DOCKET NO. 10-90 Connect America Fund Phase I Round 2 Challenge Process

Dear Ms. Dortch:

Santa Rosa Telephone Cooperative, Inc. (Santa Rosa), by its authorized representative, submits this challenge to the census blocks on the attached Schedule A for which Windstream is seeking Connect America Fund (CAF) Phase I Round 2 funding. Santa Rosa is an incumbent local exchange company (ILEC) and competitive local exchange company (CLEC) certificated in Texas. Santa Rosa CLEC provides broadband service exceeding the 3 Mbps/768 kbps eligibility threshold for CAF Phase I Round 2 funding in the aforementioned census blocks, and as a result, Santa Rosa contends that the census blocks listed in the attached Schedule A should not be eligible for CAF Phase I Round 2 funding. Attached to this letter is a Certification by Santa Rosa's General Manager attesting to these facts.

Please contact me at gail.odell@chrsolutions.com or 512-343-2544 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Gail Odell".
