

You need to look now (S-T-A-T) into the laws pertaining to (Audio Tooth Implants...All types including :Implanted wireless in jaw or tooth that are tiny implants not seeable by anyone, but used as an antenna for reception so the Abuser, gangs or nasty mean people who think they rule everyone thus they then can harass and threaten people they don't like! It is also a possible reason for the unseen terrorism in our country because it is the unheard can unseen communication device used without permission and that of much vocal abuse!and maybe being used by gangs as suicide for other people! We need you to BAN this and please talk to the President, because we feel this may be what our enemies are using to take down our USA! CHANGE THE LAWS because it is being used on innocent people as a revenge tacked also! Here is your proof!
