August 30, 2013

This letter is a letter of "Appeal" of the decision that FCC Form 471 application and/or certification was received or postmarked AFTER the deadline for funding year 2013.

Appellant Name: Jeff Hiser-Shenandoah Comm School Dist

Applicant: Shenandoah Community School District

BEN: 132431

Application Number: 933271

We are appealing the decision based on the fact that we have documentation (included) that the 470 was completed on 11/28/2012 at 10:16 AM. This was before the required deadline. However, for some reason our 470 was not received and missed the deadline. This in returned caused us to miss the 471 deadline.

If you would review our past E-Rate history you will see that we have always completed the process in a timely manner.

Respectfully,

A handwritten signature in black ink, appearing to read "Jeff Hiser". The signature is fluid and cursive.
