Reason for Request:	USAC lacks the authority to grant our appeal.

Reason for Request for Review:

USAC denied our appeal to the FCC Form 471 submission deadline on the grounds that they lack the authority to grant us a waiver to an FCC ruling. We would humbly ask that this request for review be granted so that we may continue receiving E-rate funding for the 2013 funding year, as we have for the last 14 years. The forms were submitted one week after the submission deadline due to a former employee's misrepresentation of our true E-rate status. The district is still investigating several items that the former employee was responsible for. Please review the attached documentation, as submitted to USAC in our original appeal, and consider it in your decision. Thank you for your time.

Sincerely,

Dave Plymale

Superintendent of Schools,
Trinity Independent School District
