The Telephone Company's verification of income eligibility will be through the Department of Human Services or, in lieu of electronic verification, applicants will sign a form certifying that the applicant qualifies under the program criteria, and provide program participation or income documentation to the Company for review and verification of eligibility.

The Lifeline program credit shall be limited to one credit per low income household or economic unit.

Lifeline service shall not be disconnected for non-payment of toll charges.

Qualifying low-income subscribers who voluntarily elect toll blocking, where available, will not be required to pay a service deposit in order to initiate Lifeline Service. This service will only be provided at the customer's request.

Qualifying Lifeline customers will not be charged a monthly number-portability charge.

Basic Residential Local Exchange service is available to all Lifeline qualified customers.
