Appeal Explanation:

This letter is an appeal. We would like to be reconsidered for Funding Year 2013. Our FCC Form 471 letters were filed 8 hours after the deadline. At the time, we were experiencing technical issue with our email system. We originally tried filing within the specified time frame, but was unsuccessful. We would like you to reconsider USAC's decision to deny the funding requests.

Enclosed is a copy of the USAC decision letters. Please feel free to contact me with any questions you may have.

Sincerely,
Mrs. Winters
Principal
