**Re: WC Docket No. 10-90
Cover Letter #1 of 6
FCC Form 481 Filings of Nexus Communications, Inc. for Study Area Codes
219907/FL and 269012/KY**

Dear Ms. Dortch:

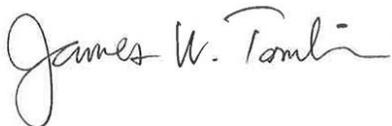

Nexus Communications, Inc. (“Nexus”) hereby files with the Commission its FCC Form 481s for program year 2012 for the above-referenced study area codes (“SACs”). Nexus filed these forms on October 15, 2013 with the Universal Service Administrative Company (“USAC”) via electronic delivery and the respective state commissions via overnight delivery. These documents contain no confidential information.

For these study areas, Nexus is a Lifeline-only eligible telecommunications carrier (“ETC”) that has been designated an ETC by the respective state commissions.

Please note that Nexus only provides service as a Lifeline reseller in these states (FL and KY) and therefore does not file for Lifeline subsidies for these SACs. It is nevertheless filing these Form 481s so that the Commission may account for the status of these SACs.

Please contact me if you have any questions regarding this filing.

Respectfully submitted,

James W. Tomlinson
