Your certified FCC Form 471, "Services Ordered and Certification Form," requested \$74,139.84 in total Schools and Libraries Program (Program) pre-discount costs for services. A copy of this information has been provided to the service provider(s) whose Service Provider Identification Number(s) (SPIN) is featured on this Form 471.

USAC provides a separate Form 471 Receipt Acknowledgment Letter (RAL) with a RAL Funding Requests Report (Report) for each application certified within the application window. The Report summarizes the information provided to USAC. A space is provided for you to make allowable corrections to any clerical errors or errors that you realize may result in reduction or denial of funding. USAC will perform a complete analysis before funds are committed. If additional errors are found during our review we will attempt to contact you for clarification before making a decision that results in denials or reductions.

Review this Report to verify that the information accurately reflects your request. If the information is accurate, file this letter with your records.
