REDACTED – FOR PUBLIC INSPECTION

The Company seeks confidential treatment under the *Protective Order* for the financial information included in its report pursuant to §54.313(f)(2). Confidential treatment of this information is appropriate on the grounds that it is commercially sensitive information that is not normally released to the public. The Company is also submitting a copy of its FCC Form 481 (including the Redacted Confidential Document) via the Electronic Comment Filing System, as directed by the Public Notice.

Due to temporary closure of the Commission's filing window, mail room, and electronic filing systems beginning October 1, 2013, this filing is being submitted on the business day following the day of return to normal operations in accordance with the Commission's Public Notice on filing procedures in the event of a lapse in funding.⁴ If you have any questions regarding this matter, please contact undersigned counsel.

Respectfully submitted,

Gerard J. Duffy

Crossville Telephone Company (SAC 340993)
FCC Form 481 – Line 510
Program Year – 2014

Service Quality Standards and Consumer Protection Compliance Explanation Document:

The company is in compliance with all Federal and State service quality standards and consumer protection rules.

The Illinois Commerce Commission has defined standards for service quality in its administrative rule parts 730, 732 and 735 for incumbent local exchange carriers. The company is in compliance with these rules. The company has systems in place for customers with regard to service trouble reporting, billing issues questions and complaints, service offerings information, after hours service problem reporting and other customer issues resolution.

The company reports the results of these quality standards items to the state commission on a quarterly basis through an internet-based reporting system.

The company also complies with all applicable consumer protection rules including the implementation of customer data protection under the Federal Communications Commission's rules for Customer Proprietary Network Information.

Crossville Telephone Company (SAC 340990)
FCC Form 481 – Line 610
Program Year – 2014

Emergency Functionality Explanation Document:

The company maintains emergency backup power for the local distribution plant and central office and transmission facilities that keep the company functional in an emergency which deprives the company equipment of commercial electrical power.

The central office facility is powered with commercial electric power and battery banks that continue power to the office and transmission equipment for a period of 8 hours in the event of a power source outage. The central office is also equipped with a Natural Gas powered generator (with liquid propane back up) to continue supplying power in the event of a power outage. The company can remain operational in the situation.

The company has additional route capacity to keep emergency service (911 service) available in the event of an emergency situation. The company also supplies emergency answering points (call boxes) for emergency personnel in the event of an isolation or emergency situation.

Terms & Conditions of Voice Telephony Lifeline Program

The Lifeline Program is a federally funded program established to provide monthly assistance to low income households. Eligible subscribers may receive a discount of \$9.25 for the monthly Federal subscriber line charge and voice telephony service, or a bundled service that includes voice telephony service.

To qualify for the program, the Lifeline applicant must participate in any of the following assistance programs. The Illinois Department of Human Services may certify the applicant's participation in assistance programs listed below for purposes of determining eligibility.

- Medicaid
- Supplemental Nutrition Assistance Program
- Supplemental Security Income (SSI)
- Federal Housing Assistance (Section 8)
- Low Income Home Energy Assistance (LIHEAP)
- National School Lunch Program's free lunch program
- Temporary Assistance to Needy Families (TANF)
- Head Start
- Customer household income is at or below 135% of the National Poverty Guidelines, for a household of that size

The Telephone Company's verification of income eligibility will be through the Department of Human Services or, in lieu of electronic verification, applicants will sign a form certifying that the applicant qualifies under the program criteria, and provide program participation or income documentation to the Company for review and verification of eligibility.

The Lifeline program credit shall be limited to one credit per low income household or economic unit.

Lifeline service shall not be disconnected for non-payment of toll charges.

Qualifying low-income subscribers who voluntarily elect toll blocking, where available, will not be required to pay a service deposit in order to initiate Lifeline Service. This service will only be provided at the customer's request.

Qualifying Lifeline customers will not be charged a monthly number-portability charge.

Basic Residential Local Exchange service is available to all Lifeline qualified customers.

Basic Residential Local Exchange Service offers the customer unlimited local calling, emergency service calling (at no additional charge), access to directory assistance service (additional charge per call), equal access to interexchange toll carrier service (additional charges based on carrier toll plans) and access to operator services.
