Tribal Entities
[REDACTED]

Targeted Engagement Efforts

As part of its efforts to strengthen positive relationships with the Tribal Nations within its serving territory while fulfilling new obligations set forth in Report and Order and Further Notice of Proposed Rulemaking, FCC 11-161, CenturyTel of Eagle, Inc. d/b/a CenturyLink (“CenturyLink”) extended an invitation to the [REDACTED] to meet and address issues of importance related to the provisioning of services on tribal lands. This letter was not mailed until 2013. The purpose of these meetings was to discuss planning and potential deployment of service as well as other areas of interest specific to conducting business on tribal lands (as set forth in 47 C.F.R. §54.313(a)(9)).

Correspondence Resulting from Targeted Engagement Efforts

Ongoing engagement as part of CenturyLink’s day-to-day business operations continued throughout 2012.

Ongoing Engagement with [REDACTED]

Background

CenturyLink serves the Tribal Entity within its serving territory in much the same manner that it serves other large customer groups. Attention is provided for the very specific issues that are inherent when doing business on tribal lands.

When tribal customers request service from CenturyLink, they are handled with the same processes and personnel that would handle non-tribal requests. As planning teams become aware of potential service demands by a “community anchor institution”, such as a casino, school, or library on tribal lands, these demands are incorporated as part of the standard planning processes. CenturyLink strives to satisfy such demands in a timely and responsible manner.

CenturyLink has historically and will continue to market on tribal lands via radio and printed media as part of its ongoing outreach initiatives. Additionally, assistance programs are actively advertised.

While CenturyLink's operations on tribal lands are substantially the same as those on non-tribal lands, they differ on one substantial point. The acquisition of easements, rights-of-way, and licenses must comply with the specific requirements of each Tribal Entity and the Bureau of Indian Affairs. CenturyLink is diligent in making sure that it complies with the applicable requirements before building facilities on tribal lands.

CenturyLink's diligence extends to the manner in which it builds its network on tribal lands. The deployment of facilities is accomplished with sensitivity to the surroundings and consideration of any impact on the land and its people.

Summary of Ongoing Engagements with [REDACTED]

<1210> Terms & Conditions of Voice Telephony Lifeline Plans

CenturyLink has over 100 local exchange carriers (LECs) that serve as eligible telecommunications carriers (ETCs) providing Lifeline discounts on local telephone service for qualifying low-income customers in thirty-seven states. Each LEC's local tariff contains the terms and conditions of voice telephony service plans generally available to CenturyLink residential customers. Lifeline provides discounts on CenturyLink residential service plans that include voice telephony service. Lifeline discounts provided to qualified recipients include the \$9.25 per month federal discount plus state discounts, if available. Tribal Lifeline recipients receive an additional federal Lifeline discount of up to \$25 per month. Eligible residents residing on Tribal lands in areas where CenturyLink receives universal service high-cost support can also receive a Tribal Link Up credit of not more than \$100 against one customary service initiation fee at a primary residence.

CenturyLink's flat-rated residential service plans provide unlimited local calling. Lifeline discounts also may be applied to local residential service plans that include a certain amount of local minutes or calls at a flat-rate and then have additional charges for minutes or calls beyond those included in the plan. Lifeline discounts may be applied to bundled service packages that include voice telephony services, such as bundles with internet service and/or video service. Lifeline discounts may also apply to voice service plans that include optional calling features such as caller ID, call waiting, and voicemail.

Toll service is available to customers receiving Lifeline discounts in the same manner that it is available to non-Lifeline customers. Toll limitation service is available to Lifeline customers at no charge.

Information concerning CenturyLink's Lifeline program can be found on our Lifeline web page at <http://www.centurylink.com/Pages/Support/LifeLine/>

A link to the CenturyLink tariff that includes the terms and conditions of this ETC's Lifeline offering is included in response to line 1220.
