- B. Lifeline program rate reductions do not apply to long distance service or any other services (i.e., Custom Calling, CLASS, construction charges, etc.) which may or may not be tarified. Customers may obtain such services, where available, at their discretion, although the Lifeline program rate reduction does not apply.
- C. Lifeline program service will not be available on a retro-active basis.

Eligibility Requirements

- A. The Lifeline program rate reduction shall apply to one (1) telephone line per residential household, at the subscriber's principal place of residence. Service is limited to only one Service per qualified customer or household; within this section, 'household' is defined as "any individual or group of individuals who are living together at the same address as one economic unit," with an 'economic unit' defined as, "all adult individuals contributing to and sharing in the income and expenses of a household."

  - He/she is receiving benefits from one of the programs listed in C. above.
  - Name of the program(s) from which they are receiving benefits.
  - That he/she will notify the company if he/she no longer participates in the program(s) named in C. preceding.

The applicant must also supply the name of the program(s) from which they are receiving benefits and provide documentation supporting participation in the program(s). That he/she will notify the company if he/she no longer participates in the program(s) named in C. preceding.

- F. The Company has certification processes in place which at the time of enrollment requires a documentation review that confirms the consumer's household eligibility. The Company will retain copies of the self-certification records of both the applicant and the Company. A Company officer will attest that these procedures are in place.
- G. The Company will annually verify the continued eligibility pursuant to the FCC Order 12-11 released on February 6, 2012.

#### Credits and Deposits

- A. The credit verification procedures available for all applicants who apply for service with the Company will also be used for applicants who apply for service under the Lifeline program.
- B. The deposit standards used for all applicants who apply for service with the Company will also be used for applicants who apply for service under the Lifeline Program with the exception that deposit requirements will be waived for Lifeline Service applicants who voluntarily elect to subscribe to toll blocking service.

#### Service Charges

- A. Service charges do not apply when eligible customers with existing residential service convert to Lifeline Service.
- B. A service order deposit is not applicable to customers who elect toll blocking when initiating Lifeline service.
- C. A service order charge does apply when:

At the time Lifeline Service billing is initiated, eligible residential local exchange access service customers also request additional optional calling features such as Custom Calling Features, CLASS features, etc.
