Tribal Outreach Documentation-2012 **Form 481 – Line <920>**

Qwest Corporation d/b/a CenturyLink QC (South Dakota)

Study Area – 395145

Tribal Entities
[redacted]

Targeted Engagement Efforts

As part of its efforts to strengthen positive relationships with the Tribal Nations within its serving territory while fulfilling new obligations set forth in Report and Order and Further Notice of Proposed Rulemaking, FCC 11-161, Qwest Corporation d/b/a CenturyLink QC (South Dakota)("CenturyLink") extended an invitation to each of the Tribal Entities within its serving territories to meet and address issues of importance related to the provisioning of services on tribal lands. In South Dakota, numerous tribes intersect with CenturyLink's serving territory. However, all but one of these tribes, [redacted] lands are served by providers other than CenturyLink. As CenturyLink was reaching out to most other Tribal entities, November/December 2012, CenturyLink and [redacted] were already engaged on numerous issues. Some of those issues having been initiated by [redacted].

Ongoing Engagement

Background

CenturyLink serves the Tribal Entities within its serving territory in much the same manner that it serves its other large customer groups. Attention is provided for the very specific issues that are inherent when doing business on tribal lands.

When tribal customers request service from CenturyLink, they are handled with the same processes and personnel that would handle non-tribal requests. As planning teams become aware of potential service demands by a "community anchor institution", such as a casino, school, or library on tribal lands, these demands are incorporated as part of the standard planning processes. CenturyLink strives to satisfy such demands in a timely and responsible manner.

REDACTED - FOR PUBLIC INSPECTION

CenturyLink has historically and will continue to market on tribal lands via radio and printed media as part of its ongoing outreach initiatives. Additionally, assistance programs are actively advertised.

While CenturyLink's operations on tribal lands are substantially the same as those on non-tribal Lands, they differ on one substantial point. The acquisition of easements, rights-of-way, and licenses must comply with the specific requirements of each Tribal Entity and the Bureau of Indian Affairs. CenturyLink is diligent in making sure that it complies with the applicable requirements before building facilities on tribal lands.

CenturyLink's diligence extends to the manner in which it builds its network on tribal lands. The deployment of facilities is accomplished with sensitivity to the surroundings and consideration of any impact on the land and its people.

<1210> Terms & Conditions of Voice Telephony Lifeline Plans

CenturyLink has over 100 local exchange carriers (LECs) that serve as eligible telecommunications carriers (ETCs) providing Lifeline discounts on local telephone service for qualifying low-income customers in thirty-seven states. Each LEC's local tariff contains the terms and conditions of voice telephony service plans generally available to CenturyLink residential customers. Lifeline provides discounts on CenturyLink residential service plans that include voice telephony service. Lifeline discounts provided to qualified recipients include the $9.25 per month federal discount plus state discounts, if available. Tribal Lifeline recipients receive an additional federal Lifeline discount of up to $25 per month. Eligible residents residing on Tribal lands in areas where CenturyLink receives universal service high-cost support can also receive a Tribal Link Up credit of not more than $100 against one customary service initiation fee at a primary residence.

CenturyLink's flat-rated residential service plans provide unlimited local calling. Lifeline discounts also may be applied to local residential service plans that include a certain amount of local minutes or calls at a flat-rate and then have additional charges for minutes or calls beyond those included in the plan. Lifeline discounts may be applied to bundled service packages that include voice telephony services, such as bundles with internet service and/or video service. Lifeline discounts may also apply to voice service plans that include optional calling features such as caller ID, call waiting, and voicemail.

Toll service is available to customers receiving Lifeline discounts in the same manner that it is available to non-Lifeline customers. Toll limitation service is available to Lifeline customers at no charge.

Information concerning CenturyLink's Lifeline program can be found on our Lifeline web page at http://www.centurylink.com/Pages/Support/LifeLine/

A link to the CenturyLink tariff that includes the terms and conditions of this ETC's Lifeline offering is included in response to line 1220.

NOTES APPLICABLE TO FORM 481 FILING:

1. (100) The Federal Communications Commission in FCC DA 13-332 adopted March 5, 2013, waived the requirement that price cap recipients of frozen support or incremental support file five-year plans by July 1, 2013 (subsequently changed to October 15, 2013).

2. (200-210) Outages are reported using the criteria provided in 47 C.F.R §54.313, which differs from the criteria in 47 C.F.R. §4.5, which is the basis for reporting outages to the Federal Communications Commission. Therefore, some outages may not have NORS numbers.

3. (300-310) CenturyLink does not have any outstanding requests for voice service from 2012 that are unfilled at the time of this filing.

4. (320-330) Unfilled service requests for broadband are not required to be reported in this year's filing.
