**Coalfields Telephone Company's demonstration of complying with applicable service quality standards and consumer protection rules:**

In establishing this certification in its *2005 ETC Order*,<sup>1</sup> the FCC found that an ETC must make "a specific commitment to objective measures to protect consumers."<sup>2</sup> The Commission found that for wireless ETCs, compliance with CTIA's Consumer Code for Wireless Service would satisfy this requirement" and that the sufficiency of other commitments would be considered on a case-by-case basis.<sup>3</sup> In this context, the FCC stated, "to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement."<sup>4</sup>

Coalfields Telephone Company ("Company") hereby certifies that it is complying with applicable service quality standards and consumer protection rules. The Company is subject to consumer protection obligations under the Kentucky Revised Statutes (KRS) and Kentucky Administrative Regulations (KAR). These obligations include, but are not limited to, the following: (1) filing a Local Exchange Tariff pursuant to the requirements of KRS Chapter 278.541 to 278.544 and 807 KAR 5:011, which disclose rates, terms and conditions of service to customers; (2) adherence to Kentucky state consumer protection requirements governing telephone providers which include Consumer protections as
