I recently sent a letter letting you know that an executive team from Verizon would like to meet with your tribal leaders to review the services that Verizon offers and to address any matters that you would like to discuss. As of today, we have not received a response. We would like to again extend the invitation to meet at a date and location that is convenient for your Tribal government.

As I mentioned in my prior letter, we would recommend the following agenda as a framework to facilitate a useful and productive discussion:

- Current and Proposed Services
- Service Procurement and Sustainability
- Opportunities for Working Together
- Tribal Licensing Requirements

Please respond to Brad Wright at brad.wright@verizon.com or at 972-718-1740 to finalize a meeting location and date.

We look forward to meeting you and your Tribal leaders soon.

Sincerely,
