Ms. Dortch:

This will serve to formally submit an FCC Appeal for a request for waiver of the 120-day certification rule for form 486 # 950916 as it pertains to the following applicant information:

- **Billed Entity Name:** Holy Redeemer Christian Academy
- **Billed Entity Number:** 61133
- **Form 471 Application Number:** 761742
- **Application Type:** Priority 2 – Internal Connections
- **FRNs:** 2058119, 2058122, 2058126, 2058128
- **Funding Year:** 2010
- **Contact Information:** John Egan, 20885 N. 90th Pl #110 Scottsdale, AZ 85255
- **Appeal Reason:** We would like to submit a request to move the service start date on 471 # 761742 from March 28, 2013 to July 1, 2010.

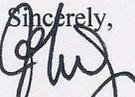

FundED authored the form 471, but the school insisted on managing and defending the application through PIA – this resulted in a prolonged PIA period. By the time the FCDL was issued, USAC's contact at the school was gone. So, as a result of a significant staffing change at the school, USAC and the school were no longer communicating effectively, resulting in a delayed form 486 submittal by the school principal, albeit several months late.

We are hereby requesting a waiver for the 120-day certification rule and respectfully request the approval of the Form 486 for the P2 application (486 # 950916) be approved retroactively back to 7-1-2010 so the applicant can receive the funds they were originally approved and have already spent without reimbursement of the approval.

Please forward all questions or requests for clarification to the contact information cited below my signature line herein.

Thank you in advance for your consideration in this important matter.

Sincerely,

John Egan
