"THIS IS A PUBLIC COMMENT FOR THE WRIGHT PETITION
(CC DOCKET#96-128)."

Dear Chairman Genachowski:

I am a political prisoner confined at the Texas Department of Criminal Justice - Institutional Division ("TDCJ-ID"), at H.H. Coffield Unit, located in Anderson County. I write this letter petitioning to FCC. of the extreme "high Cost" of the phones that were are paying here in the "State of Texas." We are being charged by the same company that was rule by the FCC. ruling vote 2-1. That charging fees being extremely to "high."

Here in the State of Texas the same company is charging us prisoners ¢23 per min. for regular calls and ¢26 per min. for collect calls. My wife and I have spent at least over \$3,000 dollars with the same company and we have been over charged numerous of times by the company and our calls has been "cut off" and we still was being charged for the call (20 min. rate \$4.60 for reg. calls and 20 min. rate \$5.20 for collect calls.). My wife and I have receipt from the calls we purchased. She even requested \$100.00 dollars at a time of phone min. to be placed on my phone min. to found later that it was transferred due to the new people unproper train in handling customers requests.

The FCC. voted 2-1 that pre paid calls @ ¢21 per min. and collect calls @ ¢25 per min. being too high and stated ¢12 per min. and ¢14 per min. being high. I am requesting full refund as requested in the 8th Cir. Court. I thank you for your attention

Sincerely,

"Law for the rich and another for the poor"
