Dear Mr. Johnson:

Pursuant to our communications last week regarding Knology Provider Solutions Group, Inc.'s ("KPSG") joint domestic Section 214 application with Crosstel, Inc. for approval to complete a transfer of control of lines (the "Application"), KPSG withdraws its request for confidential treatment and withdraws its designation of its Exhibit B as confidential.

This same day, KPSG is filing via the Commission's Electronic Comment Filing System the Application, revised to include all of the formerly redacted information as public.

Streamlined processing is requested pursuant to 47 C.F.R. § 63.03.

Should there be any questions in connection with this filing, please contact the undersigned.

Thank you for your assistance.

Sincerely,

Charles W. Steese
