PS Docket No. 07-287

Dated: November 18, 2013

**Madison County EMA/CSEPP

Richmond, KY 40475**

The County of Madison in the Commonwealth of Kentucky seeks to withdraw the waiver request, issued Electronic Comment Filing System (ECFS) Confirmation Number 201394938081, without prejudice for refile at a later date.

On September 4, 2013, the County of Madison in the Commonwealth of Kentucky submitted a request asking the Federal Communications Commission ("Commission" or "FCC") to grant a temporary waiver of 47 CFR §10.350, specifically the prohibiting of test messages from state and local alerting authorities, and 47 CFR §11.45, to permit a test message with an emergency event code. (ECFS Confirmation Number 201394938081)

The proposed exercise date of December 18, 2013, is rapidly approaching. Madison County is conducting several other major projects and the time needed to gather the additional information requested by the FCC for this waiver will not be completed in the limited time left. Madison County requests that the FCC grant our request to withdraw this waiver request without prejudice to refile at a later date.
